

Waska White™

Manufacturing With a Conscience

To our valued customers,

We wanted to create a color that exudes contemporary richness in all its simplicity. If you are looking for an elegant, true and classic look, that matches with anything and everything... then the **Waska White™** cedar shingles will be your preferred option.

WASKA WHITE™

Features & Benefits

- Ready to install right out of the box
- Smoother texture since available exclusively in a 2 coat finish
- True white color

Warranty

- Twenty five (25) years on the coating itself
- Five (5) years covering the finish and labor
- Forty (40) years on the wood (eastern white cedar)

We invite you to contact us or your Waska supplier, to order your free samples today.

Happy selling!
